Temporary Faculty Eligible for Three-Year Appointment Beginning with the 2024-2025 year

March 20, 2024

The university has identified the following temporary faculty as eligible for three-year employment appointment in 2022-2023, as described in Article 12.12ff of the faculty collective bargaining agreement. Faculty eligible for these appointments have worked at least one full semester in the same department in each of the six academic years prior to the beginning year of the appointment. Work in more than one department does not aggregate to reach this eligibility. Faculty may be eligible in more than one department, based upon their service. Except for full-time faculty, these appointments are conditional, based upon the availability of courses that the faculty are qualified to teach and upon enrollment and budget considerations. Full-time faculty – those with an entitlement of 30 units or 1.0 – are in non-contingent appointments.

This list is subject to change if the provisions of the faculty collective bargaining agreement change.

Note that the entitlement of faculty in three-year appointment is set by the year before the beginning of the contract:

Beginning Year of Appointment	Year that sets entitlement	**Final Year of Appointment & Required Cumulative Review
2022-2023	2021-2022	2024-2025
2023-2024	2022-2023	2025-2026
2024-2025	2023-2024	2026-20267

Any questions should be directed to the Office of Faculty Affairs and Success, facultya@sonoma.edu
